## WHAT IS A SMART GOAL?

A SMART goal is:

### **S = Specific**

Clearly explain what you want to accomplish.

### **M = Measurable**

Decide how you will track your progress.

### **A = Achievable**

Make sure your goal is realistic.

### **R = Relevant**

Make sure the goal matters to you.

### **T = Time-Bound**

Set a deadline for reaching your goal.

---

## PART 1: MY FINANCIAL GOAL

What do I want to accomplish?

---

---

---

---

## PART 2: SPECIFIC

Make your goal clear and detailed.

What exactly do I want to achieve?

---

---

**What am I saving or working toward?**

---

---

## **PART 3: MEASURABLE**

Decide how you will track your progress.

**How much money do I need?**

\$ \_\_\_\_\_

**How much have I already saved or completed?**

\$ \_\_\_\_\_

**How will I measure my progress?**

---

---

---

## **PART 4: ACHIEVABLE**

Make sure your goal is realistic for your situation.

**How will I reach this goal?**

---

---

---

**How much can I realistically save or set aside each week or month?**

\$ \_\_\_\_\_

**What could make this goal difficult?**

---

---

---

## PART 5: RELEVANT

Think about why this goal matters to you.

**Why is this goal important to me?**

---

---

---

**How will reaching this goal help me?**

---

---

---

## PART 6: TIME-BOUND

Give yourself a deadline.

**When do I want to reach my goal?**

---

**How much time do I have?**

---

**How often will I check my progress?**

---

---

## MY SMART GOAL

Now put everything together into one clear goal.
